Office Refurbishments

Enjoy an affordable office solution with London Elite Trades that provides a cost-effective alternative to relocation while preventing expensive errors. Your project goals will be met through improved floor space utilization as well as enhancements in storage solutions partitioning mezzanine floors electrical and IT connections office furniture and decor modifications.

Office partitioning

Create space and a more work-conducive environment. This solution provides the flexibility to create new rooms and offices inside current spaces. We provide expert partitioning solutions which include independent office spaces within warehouses and production facilities.

Hygienic cladding

Businesses that need hygiene certification can achieve compliance through the use of hygienic cladding. Our durable cladding solutions meet all safety requirements for restaurants, commercial kitchens, sports clubs, supermarkets, and hospitals.

Suspended ceilings

These structures function as drop or false ceilings to hide pipes and cables while creating a professional appearance and better acoustics. Transform your workplace with fresh lighting options and fixtures that deliver microbial advantages while saving money.

Interior Design

Achieving project success depends on understanding your refurbishment requirements. Your commercial space needs to mirror your company's identity while still functioning efficiently.

Our expertise lies in creating modern designs through 3D imaging and CAD software which we customize according to your project specifications. We will evaluate your requirements in a follow-up meeting to present solutions that will improve functionality. We make sure that our designs for signage, partitions, energy-saving features, or mezzanine floors meet your vision.

Commercial Fit-Outs

London Elite Trades puts client collaboration at the top of our priorities. London Elite Trades delivers premium fit-out services throughout Kent, Surrey, Hertfordshire and London while surpassing client expectations within any financial constraints. For projects that exceed our capabilities we have trusted local contacts to whom we can direct you.

Our Fit-Out Process:

- Understanding your business objectives
- Conducting site surveys and checks
- Researching your industry, clients, and staff needs
- Implementing a bespoke approach to your refurbishment
- Managing all aspects of the fit-out

Our plan assessment extends beyond today to future needs which allows your space to grow alongside your business. Our team provides guidance in furniture selection, brand development, design conceptualization, and financial planning to enhance your investment value.

Space Planning

During refurbishments space planning serves as an essential process that enhances workplace functionality while boosting productivity and employee engagement. We use available space efficiently and space-saving methods to build a harmonious and inviting setting that meets your business requirements.

We analyse employee counts, operational activities, and necessary equipment to create a workspace tailored to your business needs.
